

13 Days in Uganda: Wildlife Safari, Chimpanzees, Village Life and Culture, with Optional Gorilla Trek

This 13-day safari now being planned for September of 2020 will bring you close to nature and to the people and culture of Uganda. You will enjoy seeking out the Big Five animals in our custom-made safari vehicle, boat safaris, rhino and chimpanzee tracking, community walks, and so much more. **We have added an optional Gorilla Trek in Bwindi Impenetrable Forest for anyone wishing to take advantage of**

being so near to the Mountain Gorilla habitat. It's an opportunity you really shouldn't miss. All activities are set against a backdrop of dramatically beautiful Ugandan scenery: mountains, forests, savannahs, lakes, waterfalls, gorges, and, of course, the people.
